TOILET PAPER HOLDER

MOUNTING
BRACKET (TYP)

CONSTRUCTION:

Brackets are 5/8" chrome plated zinc die-cast (zamak) designed for concealed screw mounting.
Roller is white plastic on 664.
Roller is chrome plastic on 665.

INSTALLATION:

Secure metal wall plates to studs or solid backing with mounting screws provided. Slip brackets over wall plates and tighten set screws until secure.

SPECIFICATION:

Toilet paper holder shall be model 664 (plastic roller) or 665 (chrome plastic roller) by CWECO, Inc.
