CWAT9

SURFACE MOUNTED ASH TRAY

CONSTRUCTION:

Body is chrome plated steel.
Top and tip action blades are chrome plated steel.
Bracket is chrome plated zinc die-cast (zamak).
Removable liner is grey galvanized steel.

OPERATION:

Tight closing tip action blades prevent smouldering.
Removable liner allows easy servicing.

INSTALLATION:

Secure to stud or solid backing with mounting screws provided.

SPECIFICATION:

Surface mounted ash tray shall be model CWAT9 by CWECO, Inc.
